

## ***Fiddler's Green - Midnight Sun***

"I walk tall until I'm dead"

Hey a rush-dum diggedum  
Hey a rush-dum do  
Hey a rush-dum diggedum  
Dancin' to the midnight sun

Stamp my feet and toss my young head  
Vile winds can not hurt my eyes  
I walk tall until I'm dead  
Tonight there ain't no compromise

Forget the past, forget tomorrow  
All I want is now and here  
Kill the pain and fuck your sorrow  
Lose your pain and fight the fear

I'll never drown in my own tears  
Out of the shadows raise the light  
I'll never drown in my own tears  
All the fires burning bright

Hey a rush-dum diggedum  
Hey a rush-dum do  
Hey a rush-dum diggedum  
Dancin' to the midnight sun

Hungry eyes and hungry faces  
Stinking trouble's on the run  
Music's out at all the places  
Dancing to the midnight sun

Hey a rush-dum diggedum  
Hey a rush-dum do  
Hey a rush-dum diggedum  
We're dancin' to the midnight sun
