Product Information: TTKEY Tiny-Tafel Keyword Generator v1.00 (3/7/93)

Header Information

VI Version: 100
Header Type: 1
Prep Date: 1/4/94

Product Information

Product Type: Software
Product Name: TTKEY
Name Extension: Tiny-Tafel Keyword Generator
Version: 1.00
Date: 3/7/93
Version Reason: First release
Filename Prefix: TTKEY100
Number of Parts: 1
This Part: TTKEY100
List of Parts: TTKEY100
CompuServe Parts: TTKEY
Screenshot Types: (none)
Replaced: (none)
Description 1:
TTKEY Tiny-Tafel Keyword Generator V1.00 <ASP>
Description 2:
TTKEY Tiny-Tafel Keyword Generator V1.00. Builds word list, for text searches, from genealogical Tiny Tafel. <ASP>
Description 3: TTKEY Tiny-Tafel Keyword Generator V1.00.
Builds word list, for text searches, from genealogical Tiny Tafel. <ASP>
Description 4: TTKEY V1.00 Tiny-Tafel to keywords converter.
This program reads a standard genealogical family-name information file, and produces a corresponding keyword file containing the family names. The keyword file can be used to do automatic searches for the family names, using programs such as the BlueWave offline mail reader. Free program from Rams' Island Software (ASP).
Description 5:
TTKEY V1.00 Tiny-Tafel to keywords converter. This program reads a standard genealogical family-name information file, and produces a corresponding keyword file containing the family names. The keyword file can be used to do automatic searches for the family names, using programs such as the BlueWave offline mail reader. Free program from Rams' Island Software (ASP).
Description 6:
TTKEY V1.00 Tiny-Tafel to keywords converter. This program reads a standard genealogical family-name information file, and produces a corresponding keyword file containing the family names. The keyword file can be used to do automatic searches for the family names, using programs such as the BlueWave offline mail reader. Free program from Rams' Island Software (ASP).
