You may also free SONJA in SHAO KAHN stage by selecting JAX and performing his fatality directly in front of SONJA so her upper torso is the only part of her body showing...

After achieving 50 wins in a row you will play a character called NOOB SAIBOT. He has the power of SCORPION but is a lot faster...

And after 250 2-Player battles are played in a row you will be rewarded with a best of 7 series of PONG. The old Atari game...
