

The Ultimate Faxer AMF for Microsoft Word 6.0

Copyright, 1993 by Andrew M. Freeman

You must register after trying this macro for five (5) days. The registration is only \$5. Please, help me through college with your support. Thanks. To view the benefits of registering, read the information after the instructions and features of the macro (below).

This macro is the easiest faxer you have ever used. It even eliminates that annoying “Error spawning fax manager,” or other errors. It actually starts WinFax Lite/Pro for you, and then closes it when it is finished faxing.

To install, push the button below, or use Tools, Macro, Organizer to copy the macro to your Normal.dot template.

Install

To use this macro, simply run it from the Tools, Macro, Run menu. You can also copy the toolbar that comes with this template to your copy of Word. You can also add it to one of your menus using Tools, Customize above. Copying the toolbar can be done using Tools, Macro, Organizer:

First, click on the Toolbars tab. In the left box, make sure that this template, FAXER(.dot) is showing, and in the right, make sure that the template, NORMAL(.dot), is showing. In the FAXER Box, highlight the Faxing... toolbar. Then choose copy. Macros can also be copied in the same manner. Finally, click on Close at the bottom. Now start a new document, and choose

View, Toolbars, and put an X in the check box in the toolbar labeled Faxing....
For more help consult your manual.

Some features of the macro: Easy usage. Simply follow the instructions, and you should run into no problems.

UPON REGISTRATION: you will receive information on how to remove annoying information, how to automate and eliminate those input boxes so that faxing is a “NO-THINKING” deal. It’s easy. Send a \$5 U.S. check or money order with your name, address, telephone number (day and/or night) with area code, and any comments or questions you might have to: **(Foreign Orders (Out of the U.S.A.) Add \$2 - for a total of \$7.)**
