Click On the word Install ABOVE

If you have problems with this, use Tools, Macro, Organizer. More information can be found in the Word User's Guide.

Instructions:

For your benefit, a toolbar with an associated colored toolbar icon is included-- if it is not on screen, choose View, Toolbars, and put a check in the box for WPM. Check the manual for more information or write me at the address below.

Run the macro WPM to start the program. Four type input boxes will be given. You will be timed for each input box. Hit the OK button to begin time on the next typing exercise. The words per minute you type is based on an average of each of the four exercises.
