Shareware Registration

Soft Ventures retains all rights to SVInstal. SVInstal is being marketed as shareware, NOT free software. The shareware concept is simple: **try before you buy**. If you like SVInstal and wish to continue using it, you are required to register with Soft Ventures. Upon receipt of your $39.95 registration fee, Soft Ventures will send you the latest copy of SVInstal and a printed user's guide. **Plus, new with version 3, the Visual C++ source code, for SVI3, is included FREE**. The registered copy removes the shareware notice from SVInstal.

NOTE: Registered users will receive all 3 versions of SVInstal - 3.13, 3.95 and 3NT

USA	Canada	Others
$39.95 US$	$49.95 CDN$	$39.95 US$
3.00 shipping	2.00 shipping	5.00 shipping
	3.64 GST	
$42.95 US$	**$55.59 CDN$**	**$44.95 US$**

Site Licence Fees:
2-5 users $ 69.95 + shipping as above
> 5 users $169.95 + shipping as above
                         (one disk and manual, manual can be photo-copied)

To Order:
Send cheque or money order to **payable to *Rob Stevens*** at the address below. Money orders drawn on a US bank are the prefered method of payment. Cheques are accepted but must be in US dollars drawn on a US bank. (This does not apply to Canadian customers)

SVInstal can also be registered via CompuServe. GO SWREG, program ID = 692

SVInstal is an evolving product, if you find you have a requirement that SVInstal does not handle - Drop me a line, that's how a lot of enhancements are added.
