

Program Description

Samsona Deluxe Audio CD Player: A handy, personal audio CD player that includes a flexible, floating remote control for "remotely" playing CDs while working in other apps, scheduled CD playing capabilities, slick direct-track 3D buttons, artistic look and feel, friendly technical support, timely upgrade and product line info, and more. Visually resembles a real CD player w/remote. Lots of ergonomic and human factors research. Very elegant! To Register this product online through Compuserve, GO SWREG. RegID is 9579.

You can also register by mailing a check or money order for \$12.95 + \$4 SH (4.50 for Can/Mex, \$5 elsewhere) to:
