REQUIRED HARDWARE

Safe Erase can be installed on any computer which is capable of running Windows 3.x.

SHAREWARE INFORMATION

Safe Erase is distributed under the Shareware marketing concept. This means that you can try the program for a limited amount of time to see if it meets your needs. After the trial period, you are required to register and pay the registration fee or stop using it. Shareware is a distribution method, NOT a type of software. The primary difference between Shareware and retail software is that with Shareware you know if it fits your needs BEFORE you pay for it. The Shareware system and the continued availability of quality Shareware products depend on your willingness to register and pay for the Shareware you use.

It's the registration fees you pay which allow us to support

and continue to develop our products. Please show your support for Shareware by registering those programs you actually use and by passing them on to others.

LICENSE

Non-registered users are granted a limited license to try Safe Erase for a period of twenty days. After the trial period you are required to register and to pay the registration fee or stop using it. The four week evaluation period is a legal requirement based on the license agreement, NOT a time bomb inserted in the program! Safe Erase will not stop working or cause any damage to itself or your system at the end of the twenty day period.

DISTRIBUTION

You are encouraged to freely copy and distribute Safe Erase provided that:

1. No fee beyond normal media, duplication, and shipping costs may be charged.
2. It must be copied in unaltered form complete with this license and copyright information
3. It is advertised as "Shareware" and not as "free" or "public domain" software.

SOFTECH DEVELOPMENT, INC. SHALL NOT BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, SPECIAL OR CONSEQUENTIAL ARISING FROM A FAILURE OF THIS PROGRAM TO OPERATE IN THE MANNER DESIRED BY THE USER. BE LIABLE TO YOU FOR ANY DAMAGES, INCLUDING ANY LOST PROFITS, LOST SAVINGS OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THESE PROGRAM, EVEN IF SOFTECH DEVELOPMENT, INC.
