SHAREWARE

Monster Math is distributed as shareware. Shareware is not a type of
software, rather it is a method of marketing. Shareware allows you to
evaluate a software package BEFORE you decide whether or not you want to
buy it. In the case of Monster Math you are entitled to a 30-day evaluation
period. It is illegal to continue using the software without registering it.
Registration also provides you with the full version of Monster Math with the
"Multiplication,Subtraction and Division " option enabled.   In addition, you will
be entitled to future upgrades at a reduced price and will be added to our
mailing list (if you so desire).
