

Registering *From Scratch*

Registration is required to use 'From Scratch' beyond a thirty day evaluation period. Registration is \$34.95 plus shipping. You may register by mail (checks only, US Funds), on compuserve, or by calling an 800 number and using your credit card.

When you register From Scratch, you'll receive:

- * A professionally printed and bound manual
- * A disk containing the current version of the program
- * Technical support via mail, or EMAIL.
- * (Sorry, we can not offer technical support to unregistered users!)
- * A registration key that will can personalize and register any future version of 'From Scratch'
- * Notification when updates are available

To register by phone:

800-242-4PSL

or

713-524-6394

You can charge to your VISA, Mastercard, AMEX or Discover card.

These numbers for orders only. - For other questions, call , EMAIL or write us at the addresses below.
*Please note that **no** technical support or long distance return calls can be provided to unregistered users!*

To register by mail:

Run the program, and select Print/Order form. Fill out the form that will appear on your printer, and send it to the address specified, along with payment in check or money order in US Funds.

Thanks for trying From Scratch! I hope you'll enjoy it! Remember - if you use it beyond a thirty day trial period, you **must** register it!

You may also register on Compuserve - in the SWREG forum. (use GO SWREG).

You can also order on the internet - visit us at <http://www.yummy.com> on the World Wide Web!
