

Scramble for Windows 95, v1.0

Scramble is a windows puzzle game. It is a modification of popular "15" puzzle. Supports 2 modes, Numbers mode and Pictures mode. In each mode you can change dimensions from 3x3 up to 8x8, but this feature is disabled for unregistered users. Multimedia sound support.

The documentation is in online Windows Help format. Just start up *Scramble* and go to the help menu item, select contents and browse help.

You are encouraged to upload a shareware version (but not registered version) of *Scramble* to BBSs, give it to your friends.

UNINSTALLING SCRAMBLE

To uninstall *Scramble* run control panel from My Computer folder, select Add/Remove programs, select *Scramble* for Windows 95 and click Add/Remove. *Scramble* will be completely removed from your system if you did not add any files since installation. If you did, you have to manually remove the folder after running UninstallShield. Just drag the folder to the Recycle Bin.
