Dear {First Name},

Thank you so much for attending our daughter {#Daughter's name#} wedding. It was so nice of you to come all the way from {#State#}. We really appreciate the effort you made to be here with us on this wonderful occasion.

The young couple was really thrilled that you could make it, and they especially wanted me to thank you on their behalf for the lovely gift you brought for them.

I certainly hope we don't have to wait for another wedding until we see each other again! Perhaps this summer I could come out to {#State#} for a short visit, or we could travel together for a week. Talk to you soon.

All the best,
