<u>DATE:</u>	August 23, 1991	<u>FROM:</u>	Info. Center
<u>PRODUCT:</u>	WordPerfect	<u>VERSION:</u>	5.1
<u>RELEASE DATE:</u>	All		
<u>SUBJECT:</u>	Error - "Return Without A Call" When		

Merging

The error message, "Return Without A Call" can be caused by the following syntax:

{CALL}End~

...

...

{LABEL}End~  
(Info for label)

{RETURN}

When the merge sees the {RETURN} command the first time, it proceeds to the information following the {CALL} command. It will then continue the merge and encounter the {RETURN} a second time, signaling the error message.
