

INTEROFFICE MEMORANDUM

<u>DATE:</u>	July 29, 1991	<u>FROM:</u> Info. Center
<u>PRODUCT:</u>	WordPerfect	<u>VERSION:</u> 5.1
<u>RELEASE DATE:</u>	ALL	
<u>SUBJECT:</u>	Changing All Tabs To Be Right-Aligned	

To make all tabs in the Tab Set menu right-aligned tabs instead of left-aligned, use the following steps:

1. Enter the Tab Set menu (Shift-F8, 1, 8)
2. Press 0, Enter, R, 0, comma, x (where x is the tab interval), then Enter.

This is quicker than manually changing every tab from left to right.
