

CHEESECAKE SQUARES

1 c. graham cracker crumbs
1 c. sugar, divided
3 T. melted butter
16 oz. smooth cottage cheese
8 oz. cream cheese
3 eggs
1-1/4 c. sour cream or sour 1/2 and 1/2
1 t. vanilla

Mix together crumbs with 2 T. sugar and butter. Press into 9-inch pan. Bake at 350 degrees for 10 minutes. Reduce to 300 degrees and remove. Blend cottage cheese in blender. Mix cheese, cream cheese, and 3/4 c. sugar with mixer. Add eggs one at a time. Pour over crust and bake 45 minutes. Mix sour cream with remaining 2 T. sugar and vanilla. Spread over cheesecake and bake 10 more minutes. Cool completely. Bakes 12 servings.
