

Introduction

Before you can use the INSTALL.EXE program you must install the TARDIS DP Consultants runtime files into your Windows System directory. Please follow the steps below. These instructions assume that you are installing the TARDIS DP Consultants programs from floppy drive A:. If you are using another floppy drive please substitute the appropriate drive letter in these instructions.

Go to the DOS prompt. You can do this by either accessing the DOS prompt from within windows or exiting Windows and returning to the DOS prompt.

Insert the floppy diskette with the TARDIS DP Consultants programs on it.

Change to the hard drive Windows is installed on. For example, type C: and press [enter].

Change to the Windows System directory. This is normally done by typing CD\WINDOWS\SYSTEM and pressing [Enter].

Verify that you are currently in the Windows System directory.
Type the command A:\RUNTIME and press [Enter].

The runtime files are decompressed and installed in the Windows System directory. If prompted, you should overwrite existing files.

Return to Windows (or restart Windows).

From the Windows Program Manager select menu options "File" and "Run". In the Command Line box type A:\INSTALL and press [Enter]. This starts the TARDIS DP Consultants install program.

Follow the instructions in the window

About the Runtime

The runtime files (located in the self extracting EXE file RUNTIME.EXE) are required to run any TARDIS DP Consultants program (even the install program). These programs include the MicroSoft Visual Basic 3.0 runtime DLL, and additional DLL's and VBX files. All of these files must be installed in the WIndows System directory before you attempt to run any TARDIS DP Consultants programs.

Registration

If informational reminder screens appear when you start or exit the program you are using an unregistered version of the product.

You have a 15 day evaluation period in which to try out the package. If you use it longer than 15 days you must license/register it. The reminder screens will not appear once you have registered the software.

To register simply follow the instructions below:

Run the software. You are prompted for some information (company name, your name, day phone number, and CIS ID (optional).

When the opening window displays, click once on the "Note" icon. This displays the about window.

Write down on your check or money order your registration number as it appears on the About window. Make sure it is accurate. Your Activation Key is based on this number.

If you are a member of CompuServe also write your CompuServe ID (NOT password) on the payment. The activation key will be sent to you via CompuServe eMail. If you are not a member of CompuServe your activation key will be mailed to you.

Mail your check for the license fee listed in the program's documentation or help system to the address below. Make the check payable to Charles Cranford.

When you receive your activation key, start the software and again click on the "Note" icon. The about window displays.

Click on the Register button. A window appears with your registration information and you are prompted for your activation key.

Enter the key in the box, double check it, and click on OK. If the key is correct the system will be registered. The program will exit. Simply restart the program to continue using it. The reminder screens will never appear again.

The registration information is stored in a file with the .REG extension. Do not delete this file (as you must again register the software). Future updates will not affect this file so you may install them without worrying about your registration.

Software License Agreement

The programs on this diskette each have their own license agreement. In general it looks like this:

<program> is not and never has been public domain software, nor is it free software. You are, however, granted 15 day evaluation period to try out the system.

The software product and user's manual are copyrighted and all rights are reserved by TARDIS DP Consultants and Charles L. Cranford IV.

Evaluation users are granted a limited license to use <program> for no more than 15 days for the purpose of determining whether <program> is suitable for their needs. The use of <program> for more than 15 days requires licensing and the payment of a license fee. The use of the product for more than 15 days by any person, business, corporation, government agency, or any other entity without licensing it from TARDIS DP Consultants is strictly prohibited.

A license permits a user to use <program> on any single computer, or, in a LAN environment, on one workstation. The software may not be installed on more than one workstation or single user computer without additional licenses.

No one may modify or patch the <program> files in any way, including but not limited to decompiling, disassembling, or otherwise reverse engineering the program.

A limited license is granted to copy and distribute <program> for the trial use of others, subject to the above limitations, and to those below:

(1) <program> must be copied in unmodified form, complete with the file containing this license information and all documentation.

(2) <program> may not be distributed in licensed form to any person. It MUST be distributed as an unlicensed copy.

(3) No fee, charge, or other compensation may be requested or accepted for distributing Notelt, except as follows:

(a) operators of electronic bulletin board systems may make <program> available for downloading. A time-dependent charge for the use of the bulletin board is permitted so long as there is no specific charge for the download of any <program> files.

(b) vendors of Shareware may distribute <program>, subject to the above conditions, and may charge a disk duplication and handling fee, not to exceed ten dollars.

Limited Warranty

TARDIS DP Consultants guarantees your satisfaction with this product for a period of thirty days from the date of original license. If you are dissatisfied with <program> within that time period, return the package in salable condition to TARDIS DP Consultants for a full refund.

TARDIS DP Consultants warrants that all disks provided are free from defects in material and workmanship, assuming normal use, for a period of thirty days from the date of purchase.

TARDIS DP Consultants warrants that <program> will perform in substantial compliance with the

documentation supplied with the software product. If a significant defect in the product is found, the Purchaser may return the product for a refund. In no event will such a refund exceed the license price of the product.

The product and all updates are provided on an "as is" basis without warranty of any kind, express or implied, except as stated above including, but not limited to the implied warranties of merchantability or fitness for a particular purpose. The entire risk as to the selection, quality, results, and performance of the product is with the Licensee. Should the product prove defective, then the Licensee (and not TARDIS DP Consultants or its dealers) assumes all liability and expense incurred as a result thereof. Some jurisdictions do not allow the exclusion of certain implied warranties so in such jurisdictions, the above exclusion of implied warranties may not apply to you. The limited warranty gives you specific legal rights. You may also have other rights which vary from jurisdiction to jurisdiction.

TARDIS DP Consultants shall have no liability or responsibility to you or to any other person or entity with respect to any liability, loss or damage caused or alleged to be caused directly or indirectly by the product or your use, misuse or inability to use the product, including but not limited to, any interruption of service, loss of business, anticipatory or actual profits or consequential damages resulting from the use, misuse or inability to use the product.

TARDIS DP Consultants does not warrant that the functions contained in the product or updates will meet your requirements.

Use of this product for any period of time constitutes your acceptance of this agreement and subjects you to its contents.
