*---A macro to show graphics slide show, the macro includes 5 sample
    graphs for demonstration. When you are finished you can reset all
    graphs and erase the range of numbers in the next page.
*---Use the /Range Name Label Right {End} {Down} <ENTER> to define the
    range names in this column (starts with the \Z macro name)
*---Hold the <ALT> key and press <Z> to activate the macro
