

Sheet1

- *---A SUBTOTAL and GRAND TOTAL macro for a database table (SEE the SAMPLE1.WK1 file) Use the SUBTOTL3.WK3 macro in RELEASE 3
- *---Use the /Range Name Label Right {End} {Down} <ENTER> to define the range names in this column (starts with the \Z macro name)
- *---Sort the database with respect to the items column to subtotal
- *---There should be at least two empty rows above the database to accommodate for the criterion area.
- *---Place the cell pointer at the upper left cell of the database
- *---Hold the <ALT> key and press <Z> to activate the macro

```
