

The Seven Levels
of
Computer Literacy
by
PC Support
(313) 658-5328

- Level 1 **Computer Illiterate**
"Not me, I'm afraid of computers!"

- Level 2 **Computer Dummy**
"I don't know, all I did was press
this key!"

- Level 3 **Computer Apprentice**
"Wait, lets read what it says here!"

- Level 4 **Computer Journeyman**
"Hold it, better run a virus check
first!"

- Level 5 **Computer Craftsman**
"Do you want it in C or Assembly?"

- Level 6 **Computer Genius**
"I don't know, all I did was press
this key!"

- Level 7 **Computer "Smarty
Pants" - Advanced level**

about
fishing!"

"I never really cared that much
computers anyhow. Lets go
