## Report on Assets for the Year of 1990/1991

## John Smith

Prepared for the Fictitious Co. Itd.

## Introduction

The year of 1990/1991 was good for Fictitious Co. ltd. We saw an overall increase in revenues in the U.S., and our new facilities abroad showed healthy growth. As you look at the figures, I'm sure you'll join me in congratulating all our employees across the globe for a job well done.
