

This folder contains a demo version of the spreadsheet application Questor from Xanthus. This demo version will only run for 9 minutes with full functionality.

The folder should contain the following:

QuestorDemo.app - This is the Questor demo application. You can open a number of demo documents from the Info panel.

API - Examples of the Questor API.

Function_Libraries - Examples of external functions for Questor.

Instructions.rtf - How to use Questor.

For further information about Questor and Xanthus other NEXTSTEP software products, please choose Commercial... in the menu Info, or contact Xanthus directly:
