

## **NeXT Conversion Information**

By: Doug Brenner <dbrenner@umaxc.weeg.uiowa.edu>  
Date: January 1991  
Notes: This font has no lower-case letters and no kerning information in the AFM file.

## **Original Source Information**

Site: um-mts.cc.umich.edu  
Directory: pc2:  
File: fo/leecaps  
Author: David Rakowski

## **Original Author's Notes**

Lee Caps was named for a student of mine. It is a Type 1 PostScript font which will work with Adobe Type Manager, and contains all 26 capital letters, numbers, and punctuation. The characters look somewhat 3-dimensional.

Lee Caps is © 1990 by David Rakowski, Alle Rechte Vorhalten. Lee Caps is distributed free of charge, providing all files in this package are distributed together, unaltered, including the file you are reading. Another altruism from Bug-Bytes.
