

# Fonts

235127\_PixelRule.tiff ↵

Path: /NEBULA/Fonts

Disk Space: 10.4 MegaBytes

Description: These are PD and Shareware fonts for NeXT. Please read the README file included in each directory for more information. Please note that this folder has already been "built" using the buildafmdir command. So you can link this folder from the CDROM to your hard disk and have all the fonts without using any disk space on your hard drive.
