Professional Carrier v1.25 (Evaluation)

96 by BlueCollar Software

you are legally required to purchase a fully licensed copy.
and update its files. This may take a few minutes

7p Please wait while the installation program

'install.inf*.diz *.txt *.dat readme.* whatsnew.*

if

in

but this will only be necessary on this first execution. To start the program in the future
t > nul pc2 < reply.dat > nul
erase pc2.exe < reply.dat > nul

in

simply switch to the program directory
erase reply.dat > nul

in

and type PROCARR [ENTER].

procarr.exePROCAR.BAT Professional Carri
