Jixxa Registration Form

Please use this form to register your copy of Jixxa, and receive the full registered version plus 12 more images (each in 4 different piece sizes for a total of **48 unique puzzle files!**) on your choice of CD-ROMs. There are currently two CD-ROM editions of Jixxa available -- the "Premier Edition" and the "World Travel Edition." The Premier Edition and the World Travel Edition both contain everything you need to play Jixxa (including the full, registered version of the software) -- only the puzzle images are different. The Premier Edition contains a generalized collection of images such as landscapes, patterns, animals, sports, and so forth. The World Travel Edition specializes in images of famous landmarks and destinations such as the Pyramids of Egypt, the Taj Mahal in India, Stonehenge, and more. Either edition will offer many hours of enjoyment!
