

## **I'M OUT ORDERING INFORMATION**

---

Two versions of the I'M OUT screen saver are available. The home version provides standard messages related to home activities such as: "I'm at the store" and "I'm at school". The business version has messages that are appropriate for business use such as: "I'm in a meeting" and "I'm at lunch". Both versions allow you to enter your own custom messages.

When you purchase a registered copy of I'M OUT you will receive:

- \* *The latest, updated version of the I'M OUT software, with no try-before-you-buy reminder screens.*
- \* *Three new image sets.*
- \* *Customize I'M OUT with your name.*
- \* *Set I'M OUT to automatically start when there is no keyboard activity*
- \* *Printed, illustrated user's manual.*
- \* *Access to updates and new image sets.*
- \* *Information about easy ways to get your photographs into your computer, without having to own a scanner.*
