Yellow Sticky v 4.5 for Windows

Yellow Sticky is a daily "to do" list that helps you get the things you need to get done accomplished. There is no printed manual with Yellow Sticky but there is a complete on-line help facility. To invoke the help file depress the F1 key while Yellow Sticky is active, or select the **Information** menu item under the **Help** menu.

Yellow Sticky is ***shareware*** which means that you can try the program before you buy it. You have 30 days to evaluate the program and then you can either quit using it, or you are morally obligated to register the product.

The program is going to time stamp itself the first time that it is run and if you have not registered the program after 90 days it remains fully functional but you will be reminded often that the program is unregistered shareware.

Yellow Sticky is fully functional with the exception of the ability turn off the registration screen. Having the registration screen come up when you run Yellow Sticky is a gentle reminder that you are still in the evaluation period.   The registration fee for Yellow Sticky is **$15.00** plus **$2.95 S&H**. You will receive your registration codes by e-mail or over the phone to get you up and running immediately with your registered version. This will be followed up by a diskette with a master copy of the program and a permanent record of your registration codes.

Yellow Sticky registration is very simple. Select Order from the registration screen, or select **Registration Form** from the **Main** menu. Fill out the appropriate information which includes your:
> *Name,*
> *Address,*
> *Phone Number,*
> *Diskette size,*
> *Where you got the shareware version of the program,*
> *Your e-mail address if you want to get your registered copy*
> *back quick (Compuserve or AOL only), and*
> *Your credit card number and expiration date if paying by credit card.*

Once the registration form is filled out you can print it and send it by snail mail, or fax it. If you have a fax modem you can select the fax as your print device and send the file immediately from the registration form. You can also create the file ORDER.TXT which you can send in an e-mail message. Of course if you order by e-mail or fax, you will have to have a valid MasterCard or VISA number and expiration date included with your order form. If ordering by snail mail you can send a check, money order (payable in US dollars) or credit card information. (We do accept cash with two valid IDs --- just kidding.)

When your registration is received and processed you will receive your registered copy.

　　　Henning Associates
　　　1710 Allied St. #36
　　　Charlottesville, VA 22903

　　　voice/fax 800-823-6896 or 804-295-0554

　　　Compuserve - 72176,2507
　　　AOL - MikerH1053
