

Port Scanner Registration Form

(version 1.1)

Thank-you for registering Port Scanner. Within seven days of receiving this registration form, Blue Globe Software will send you a serial number - by Email if possible, by regular mail otherwise. This number, when combined with your full name, will allow you to register your copy of Port Scanner and remove the registration dialog that appears at startup and shutdown. In addition, your registration will entitle you to receive Email notices about future Port Scanner updates, and free Port Scanner technical support.

Complete the following information as fully as possible (please print):

Full name (required): _____	
Organization (required for site licenses): _____	
Register me using (check one): my Full name _____	my Organization _____
Address: _____	
City: _____	Province/State: _____
Country: _____	Postal/Zip Code: _____
Email address: _____	Phone number (optional): _____

Please indicate the type(s) of registration you prefer:

Student at a recognized educational institution	_____	copies at \$10(US) each = \$ _____
Standard user	_____	copies at \$30(US) each = \$ _____
Local site license*	_____	copies at \$200(US) each = \$ _____
Worldwide site license**		at \$600(US) each = \$ _____
Total payment enclosed (in US dollars)***		= \$ _____

Make checks payable to Blue Globe Software, and mail, along with this form, to:

Blue Globe Software
PO Box 8171
Victoria, BC
CANADA V8W 3R8

Thank-you.

*A local site license permits you to use an unlimited number of copies of Port Scanner, so long as all the machines it is installed on belong to the same organization, and all those machines are located within a reasonable geographical area (like a single campus).

** A worldwide corporate license permits you to use an unlimited number of copies of Port Scanner anywhere in the world so long as all the machines it is installed on belong to the same organization.

*** We're sorry, but credit card orders cannot be accepted.
