**You are entitled to use this theme provided you do so without altering the wallpaper or any other components. This theme is intended for your own personal/non-profit use. Do not include this theme in packages or on CD ROM with other shareware/freeware without my permission. Please do not remove this readme.txt file, and do not remove my name from the wallpaper. Any violation of the above constitutes copyright violation which is a federal offense.**

#### **Theme Components:**

This theme consists of wallpaper for 800x600 screen resolution, a set of cursors, icons, screen saver, wave files for all Window events. Theme is best viewed in 16-bit or 24-bit color (high color settings).

I hope you enjoy this theme. For installation instructions, see below.

#### **INSTALLATION:**

**If you downloaded the EXE version of this theme, than just double click the icon and it will install itself into the correct directory on your hard drive. If you downloaded a zip file, follow directions below.**

- 
- 1) Open the kjaturky.zip file with WinZip.**
  - 2) Just double click the icon and let the WinZip Wizard extract it.**
  - 3) Select "Change Directory" and select C:\Program Files\Plus!\Themes\ Thanksgiving Greeting**
  - 4) All files will be decompressed into that directory.**
  - 5) Start the "Desktop Themes" program and select the "INSTALL" tab.**
  - 6) Click on browse and go to C:\Program Files\Plus!\Themes\ and open the Thanksgiving Greeting folder.**
  - 7) Click one time on the icon that looks like a color palette and then choose "OPEN" and then "INSTALL"**
  - 8) Then click on the first tab called "THEME" and then hit "APPLY".**
