

## WordPerfect Corporation invites you to try PicturePaks for FREE!

On this diskette is a fully functional library of 30 images from Publisher's PicturePak(TM) for WordPerfect(R) 5.0: three extensive collections of idea-generating pictures and symbols in WordPerfect's own graphics file format (extension .WPG). PicturePak "vector" or "draw" type graphics are unbeatable because, no matter how large or small you use them, they'll provide the sharpest, cleanest output your printer can produce. Simply refer to the Graphics section of your WordPerfect Reference Manual for instructions on how to use them.

### Ordering Publisher's PicturePak for WordPerfect 5.0
