ordering SIMMs from NeXT

The following table shows which NeXT SIMM types are compatible with which NeXT computers. For the best results in the Turbo computers, choose 70-ns SIMMs. Note that SIMMs are currently available from NeXT only in kits of 8 MB or 16 MB. T o order SIMMs, call 1-800-848-NeXT and select the Service and Support option (press 4).
