

HOW TO PURCHASE THE HIGHER EDUCATION NEXTSTEP ACADEMIC BUNDLE

The NEXTSTEP Academic Bundle is available through your local Campus Bookstore or Campus Computing Center in the United States, Canada, Mexico and Europe.

A listing of higher education book stores and campus computing centers can be found on line via the following path:

NeXTanswers/NABrowse?/General_NeXT_Information/Ordering.

Document number 1576 lists all North American Higher Education and Campus related vendors, and document number 1577 lists all European Resellers of academic bundles.

This information is also available from NeXTanswers via fax or internetmail; fax requests to 415-780-3990 from a touch-tone phone or send e-mail requests to nextanswers@next.com. Requests referencing the specific document numbers listed above will receive the information within 12 hours.

If your Higher Education Bookstore or Campus Computing Center is not listed in any of our documents, they can order the product for you by calling NACSCORP, NeXT's National Educational Distributor, at 1-800-321-3883 and referencing the following SKU numbers:

**SKU # 9301036460: NEXTSTEP Academic Bundle Release 3.3 for
68K Motorola Processors**

**SKU# 93010323338 NEXTSTEP Academic Bundle Release 3.3 for
Intel Processors**

If for any reason your Higher Education Bookstore or Campus Computing Center cannot order the NEXTSTEP Academic Bundle, please call Object Technologies, Inc at 1-800-452-7608 to purchase a copy. Academic bundle sales information is also available via Internetmail. Send mail to academic_ext@next.com

Please note: All technical support for the NEXTSTEP Academic bundle is provided by the point of purchase only.
