NEXTSTEP for Intel Processors

Title: Cogent EISA Ethernet Adapter
Entry Number: 1615
Last Updated: <<Date November 15, 1995>>

Product Vendor:
Cogent, Inc.
Phone: (800) 426-4368
Direct Sales contact is Barre Pearson (barre@cogentdata.com)

Distributor:
Micro Central
Phone: (800) 836-4276

Keywords: network, ethernet, EISA, hardware, intel

Usage Commentary

Provides high-speed EISA-based ethernet support for NEXTSTEP.   Supported cards are the Cogent eMASTER+ EM932 EISA and the Cogent eMASTER+ EM935 EISA XL.

Both versions of the adapter support thick coax, thin coax, and twisted pair.

Setup and Installation

See NeXTanswers document 1564 (Cogent EISA Driver.ReadMe.rtf) for installation details.

Release 3.3

See NeXTanswers document 1815_Weitek_Power_9000_Driver_Overview.rtf

Known Problems

No known problems.
