NXApp is designed, written, and produced with NEXTSTEP. Proofs are printed on a NeXT 400 dpi Laser Printer. Final pages are transferred to film using NeXT computers and an

electronic imagesetter.

About NXApp

NXApp-NEXTSTEP Developer Journal is a quarterly technical journal published by NeXT. It provides timely technical information and thorough examples for programmers who develop NEXTSTEP applications.

Each subscription issue includes a floppy disk that contains an electronic version of the bulletin. The disk can be used with the Digital Librarian application to access information on specific topics by searching for keywords.

To subscribe to *NXApp* or inquire about subscriptions, please use the order form in **SubscriptionForm.rtf**.
