

Rabbit (page 1)

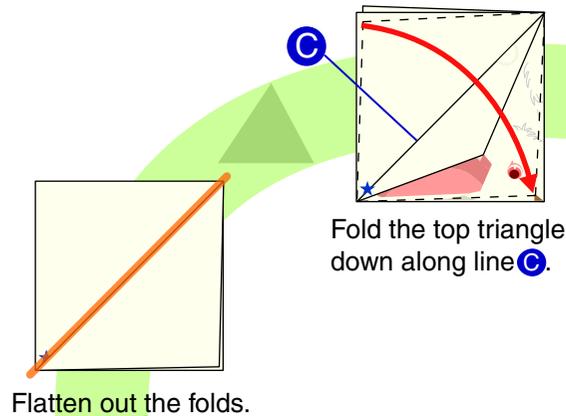

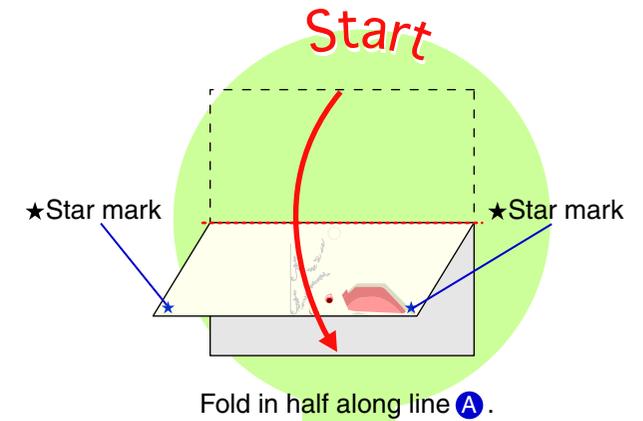

Rabbit [A4 size 5 pages]

A wide range of different origami has been enjoyed in Japan since ancient times.

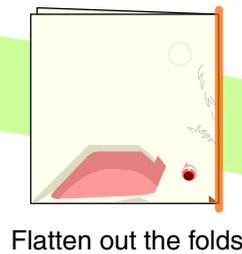

With the "rabbit" pattern, you can make a cute rabbit with long ears.

● The letters in blue circles indicate the fold lines. They are also shown on the practice sheet.

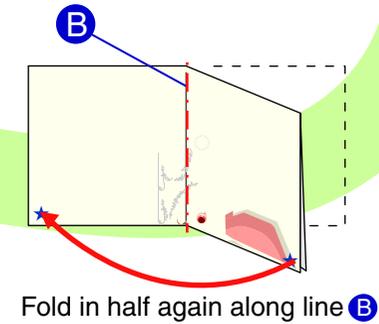

Fold the top triangle down along line C.

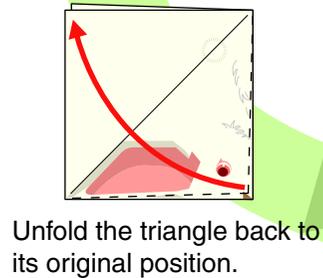

Flatten out the folds.

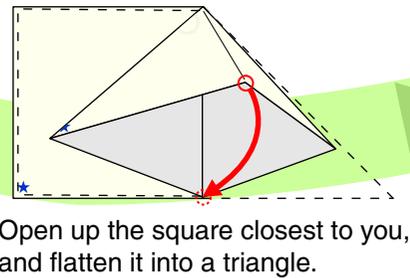

Flatten out the folds.

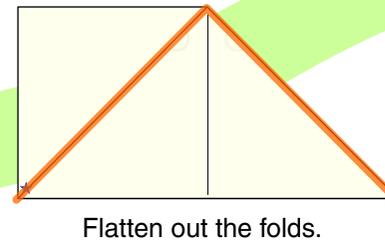

Fold in half again along line B.

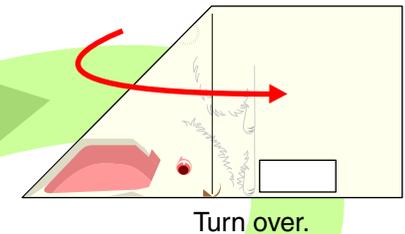

Unfold the triangle back to its original position.

Open up the square closest to you, and flatten it into a triangle.
