

Subliminal Help Capabilities For Version 2.0

Features:

- Select multiple messages
- Many preset messages selected by menu
- Custom messages
- Network compatible*
- Select goals, as well as personality improvements

Ideas:

- A networked version on a server with every employee having their own "ini" file for increased productivity or self help*
- At home to help control kid behavior i.e. do their homework, housework, etc... +
- Stop your wife from nagging? Ha! Ha!
- Learning courses in languages, vocabulary, or anything&
- Improve your golf game
- Skiing

Notes:

- * It is illegal to subject adults to subliminal messages without their knowing about it.
- + Subjecting kid to subliminal messages may or may not be legal in your state.
- & Because of the specialized nature of this idea Version 2.0 will not have this capability.
