## Chapter 1

# Amstrad\_Monitor

### 1.1 Connecting an Amstrad Monitor to your Amiga

Connecting An Amstrad Monitor To Your Amiga

Typed in by PARASITE of LSD.

#### WHAT YOU NEED

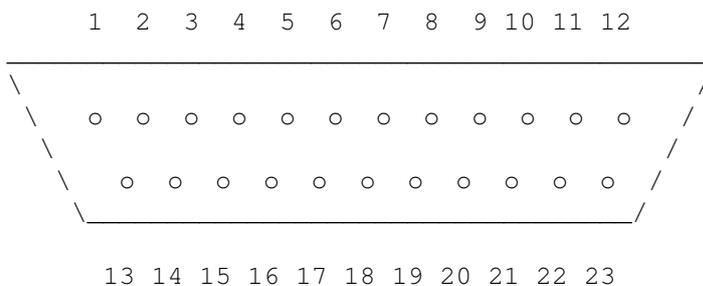

1 female 23 pin D-connector.  
 1 Amstrad CPC 8-pin DIN connector.  
 Cable length as required (5 core).  
 Soldering iron.  
 Solder.  
 Small screwdriver.

#### ASSEMBLY

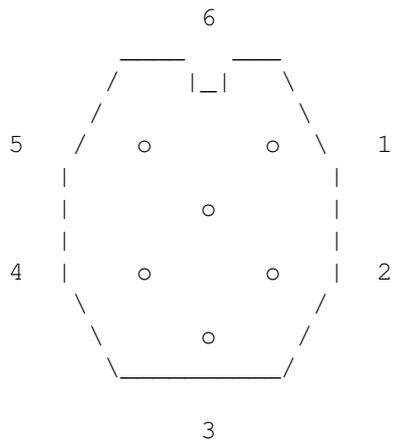

Connect the following pins;

AMIGA		AMSTRAD
Pin 3	to	Pin 1 (red)
Pin 4	to	Pin 2 (green)
Pin 5	to	Pin 3 (blue)
Pin 10	to	Pin 4 (sync)
Pin 16	to	pin 5 (ground)

#### THE AMIGA SOCKET

THE AMSTRAD SOCKET (This is really round, which is hard to draw in text)

End.
