The concept of the song is the mental state of a rape-pedophile man who has
remorse for what the hell he is doing to the children he rapes!
The lyrics holds some explicit contents and should not be viewed by minors!
The stile of the lyric is much like Norwegian Black Metal, (GV)!

Me (Sorg) would especially like it if there was any feedback on the song! So
if you got any bad or good comments on the song, feel free to send them to
