

# Converting PICT files with drag and drop

126476\_PixelRule.tiff ↗

551325\_12ptHevBlk.tiff ↗ Drag a PICT file icon anywhere over Convert PICT's Conversion Progress Window, and drop it.

656759\_paste.tiff ↗ Type in a name for the eps file that will be created. 766579\_paste.tiff ↗ Wait for the conversion to finish.

402883\_paste.tiff ↗

357723\_PixelRule.tiff ↗

426536\_CheckMark.tiff ↗ You can actually drag and drop any file you want into Convert PICT window. However, if it doesn't 'look' like a PICT to the converter, it will give you an error message and refuse to convert it.

46798\_PixelRule.tiff ↗
