

# FR. JOHN CORAPI, SOLT

Father John Corapi, SOLT had what is commonly called a late vocation. He was 44 years old when he was ordained. His experiences prior to ordination have been termed simply astounding, but that is probably somewhat of an overstatement. They might be called extreme, however. He's gone from a small-town boy to a Vietnam-era U.S. Army Soldier, from a millionaire businessman in Las Vegas and Hollywood to drug addicted and homeless, to religious life and ordination to the priesthood by Pope John Paul II, to a life as a preacher of the Gospel who has reached millions with the simple message that God's Name is Mercy!

Father Corapi's academic credentials are quite extensive. He received a Bachelor's degree in Business Administration from Pace University in the seventies. Then, as an older man, he returned to the university classrooms in preparation for his life as a priest and preacher. He received all of his academic credentials for the Church with honors: a Master's degree in Sacred Scripture from Holy Apostles Seminary and Bachelor, Licentiate, and Doctorate degrees in dogmatic theology from the University of Navarre in Spain.

Father Corapi is a perpetually professed priest member of the Society of Our Lady of the Most Holy Trinity. The pillars of father's preaching are basically three:

- **Love for and a relationship with the Blessed Virgin Mary** which leads us into a vibrant and loving relationship with Jesus Christ.
- **Great love and reverence for the Most Holy Eucharist**--from Holy Mass to adoration of the Blessed Sacrament.
- **An uncompromising love for and obedience to the Holy Father** and the teaching of the Magisterium of the Church.

# THE TEACHING OF JESUS CHRIST

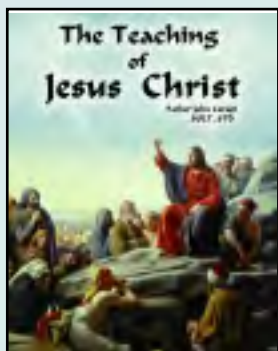

## THE TEACHING OF JESUS CHRIST SERIES

In the year 1996 Fr. John Corapi, at the request of Bishop William K. Weigand, bishop of the diocese of Sacramento, California, first presented his widely acclaimed series "The Teaching of Jesus Christ." In this series Father Corapi synthesized the entire "Catechism of the Catholic Church" into 48 lectures of approximately one hour each. The series was presented one Saturday each month for the twelve months of 1996.

More than 2,000 people participated in the live presentations, which included not only 4 lectures each Saturday, but also an hour of question and answer at the end of the day.

As a direct result of the live presentations thousands of people learned the essence of the Catholic Church's teaching in faith and morals. A large number of Christians of all denominations entered the Catholic Church, subsequently going through parish RCIA programs and being received into the Church at the Easter vigil. Likewise, a number of Jewish, Islamic, Buddhist, and other persons entered the Catholic Church as a direct result of attending Fr. Corapi's lectures.

The entire series was professionally audio and video taped and finished under the title "The Teaching of Jesus Christ". Now airing weekly on EWTN for the past 8 years, this series has been seen in over 100 countries world wide, with viewers in the millions. Countless souls have been educated and inspired by Fr. Corapi's simple and powerful presentation of the timeless truths of the Catholic Faith.

## THE TEACHING OF JESUS CHRIST 50 LECTURES COVERING THE CATECHISM

# NEWLY REMASTERED SERIES

## APOCALYPSE NOW - THE SERIES

Apocalypse Now: The last book of the Bible, the Book of Revelation, or Apocalypse as it used to be called, speaks of a spiritual and definitive war between the forces of good and evil. Fr. Corapi teaches the essence of this message from the perspective of a priest with an ecclesiastical doctorate in dogmatic theology, as well as from his practical "street sense" of the everyday contemporary combat with the forces of evil that people today face. In a very real sense we don't have to wait for some future date centuries from now

to experience the intensity of such a cataclysmic clash. The "Apocalypse" in a very real way is now!

## TOTAL CONSECRATION TO JESUS THROUGH MARY

Father speaks of the spirituality of St. Louis de Montfort, the total consecration to Jesus Christ through Mary our Mother. Quite simply, it is the most powerful and effective way to live a Catholic Christian life. All that I am and all that I do, past, present, and forever I give to my Lord and Savior, Jesus Christ--and I give it to Him through the hands of His most holy Mother. Fr. Corapi attributes any and all effectiveness in his priestly ministry to this simple movement of grace. This was the spirituality of Pope John Paul II, John Paul the Great, as manifested by his papal motto: "Totus tuus," "Everything for you." All for Jesus through Mary. Contains six talks:

1. Consecration: Living Our Baptism

2. The Rosary: Way to Peace

3. Jesus: True God, True Man

4. Mary: Reflection of Jesus

5. To Know Jesus is to Know God Himself

It takes place one person at a time, and what is prepared is a fit dwelling place for the Lord of Lords and King of Kings. This fitting dwelling place for Jesus is a soul in a state of grace. The next five presentations concern ways of accomplishing this preparation; Humility IS Preparation for the Lord's Coming, Only in Truth Can We Be Free, Battle Cry!, "To Deliver Children in the Name of Truth" (A Testimony), and The Holy Eucharist: The Lord's True Coming.

## THE FATHER'S LOVE

This four-part series is a compilation that addresses some of the most essential elements of being a good father. All authentic paternity subsists in and flows from the paternity of God our Father. Whether it is the spiritual paternity of the priest, or the natural and biological paternity of our earthly fathers, it is all rooted in God our Father. One cannot be a "father" without having children. Fathers beget children: priests in the spiritual order, natural and biological fathers in the temporal and corporeal order. Fathers do a lot more than just "beget" life, however. A true father loves his children, provides for their well being, protects them, educates them, etc.

This compilation is one of the most powerful collections ever of Father John Corapi at his best.

## BEHOLD YOUR MOTHER

One of the great secrets of the spiritual life is to enter into a true and personal relationship with Mary our Mother. Once the soul seeks to draw close to Mary great things will begin to happen. She will intercede for us and great strides in the spiritual life will take place if we take care to follow her, especially in her humility.

Since the very beginning of his priesthood Fr. John Corapi has emphasized this relationship with Our Lady, and the prayer of her Rosary. It is one of the three pillars of his preaching. "Everything for Jesus through the hands of Mary, His Mother and ours."

## EASY PRAYER FOR HARD TIMES

In this five part series, Father John Corapi sets forth a simple plan for simple prayer: "Easy Prayer for Hard Times"

There is no question that today there is a burning desire for prayer, even if at times the individual isn't necessarily conscious of it. The more troubled the times become, the more the soul yearns to pray.

The great Doctor of Prayer, St. Therese of Lisieux, tells us "for me, prayer is a surge of the heart; it is a simple look turned toward heaven, it is a cry of recognition and of love, embracing both trial and joy."

Another great Doctor of the Church, St. Alphonsus Liguori, tells us "the man who prays is saved. The man who does not pray is not." Such is the blunt language of the saints. Prayer, in order to be effective and even at times very elevated, should not be a matter of "rocket science". It is most of all simple, humble, and trusting. It is in fact the prayer of a confident child to a loving father.

Despite the thirst for prayer and for knowledge concerning prayer, very few individuals have much if any understanding of even the most basic elements of the science of prayer. We might say, as the official from Queen Candace's court mentioned in Acts of the Apostles, "How can I [understand] unless someone teaches me?" (Acts 8:31)

In this five part series, Father John Corapi sets forth a simple plan for simple prayer: "Easy Prayer for Hard Times".

**The five lectures in this series are:**

**Part 1: Disposition=Receptivity to Grace**

**Part 2: Praying the Scriptures**

## THE MOON UNDER HER FEET

Father Corapi goes to the heart of the contemporary world's many woes and wars, whether the wars in Afghanistan, Iraq, Lebanon, Somalia, or the Congo, or the natural disasters that seem to be increasing every year, the moral and spiritual war is at the basis of everything. "Our battle is not against human forces," St. Paul asserts, "but against principalities and powers, against the world rulers of this present darkness..." (Ephesians 6:12.) The title talk, "With the Moon Under Her Feet," is taken from the twelfth chapter of the Book of Revelation, and deals with the current threat to the world from radical Islam, and the Blessed Virgin Mary's role

in the ultimate victory that will result in the conversion of Islam. Few Catholics are aware of the connection between Islam, Fatima, and Guadalupe. Presented in Father Corapi's straight-forward style, you will be both inspired and educated by this four part series on topics more timely than ever.

## THE BATTLE FOR TRUTH

That there is a battle for truth is nothing new. Since darkness entered Eden, human beings have been caught in a crossfire of lies, some of them obvious, some of them very subtle. The serpent was the most "subtle" or "clever" of all the animals the Lord God made (Genesis 3). Jesus calls the Devil "a liar and the father of lies, a murderer from the beginning (Jn 8:44). "Hence, the connection between lies and death. We have experienced humanity, caught in this crossfire of lies, lose both its freedom and its respect for life. From abortion to euthanasia, from suicide to genocide, the horrifying spectacle of man's degenerate behavior at once shocks us

and frightens us. Why is this happening? Why has man in the past 100 years apparently lost his moral and rational mind?

In this 4 part series Father John Corapi explores some of the essential elements and relationships concerning the Truth, which in substance is not merely something, but rather Somebody: Jesus Christ. Approximately 4 hours.

**Prepare for  
the Battle!**

## SURRENDER IS NOT AN OPTION

In this four part series, Father John Corapi explores the reality of spiritual warfare and how it involves the family. Using Sacred Scripture and other official Church documents, Father Corapi vigorously asserts that this war is real. To deny this fundamental fact is at once foolhardy and reckless.

Like any war, this one has weapons, tactics, and strategy. A battle-plan is essential. The family is the basic unit in God's army, and is either battle-ready or it isn't.

This is the real war to end all wars, the consequences of which are eternal. Most people today just ignore the battle or give up, surrendering their eternal future to chance or the Enemy himself. Surrender is not an option! Fight or die.

In this series, originally preached on the battlefield of Boston, MA, Fr. Corapi is at his best. At this rare conference where this series was filmed, Father gave talks on two separate days, one to an all women's audience, the next to an all men's audience. This series is a must for all of the members of the Family of God.

## NEW WAR / OLD WAR

This series was forged in the flames and fire of 9/11, but prepared for by Father's entire life. New War, Old War is the title sermon of this four-part series. It deals with the spiritual roots of the real war behind all war and strife. Drawing an analogy from military training Father speaks of spiritual training, spiritual weapons and tactics, and the key to being a good soldier or a good Christian: To serve, not to be served. "Immorality is un-American and a threat to national security," has become a battle cry for many seeking to bring us back to the moral uprightness we once took pride in.

# FUNDAMENTAL TEACHINGS

## THE CROSS AND THE CHRISTIAN

In this series, Father explains the origin of Evil, and why sin is the root cause of all evil. The Cross, being the supreme weapon against evil, brings us to the salvation of man by the Blood of the Lamb. This powerful series will give a new appreciation for the greatest selfless act ever recorded in the history of man: Christ's crucifixion and suffering for us. This series could be called the "mini version" of Father's Doctoral Thesis, and his first series ever taped.

## THE POWER OF THE EUCHARIST

During the pontificate of John Paul II he solemnly declared October 2004 through October 2005 as "The Year of the Eucharist." At a decisive time in history, this historic Pope had first declared "The Year of the Rosary," followed by "The Year of the Eucharist." It is our duty to respond by learning and loving everything about the holy Eucharist: the "source, center, and summit of the Church's life."

## THE MYSTERY OF THE HOLY EUCHARIST & THE PRIESTHOOD OF JESUS CHRIST

Father Corapi presents in this series the essential teaching of the Catholic Church on two interrelated sacraments: Holy Orders and the Eucharist. Our times have seen a violent attack on the priesthood, from within and from without. The underlying reason for this is spiritually strategic. Get rid of the priest to get rid of the Eucharist. It is the devil's "End Game" as Fr. Corapi phrases it.
