Serial Solutions™**

License Statement

This software is protected by both United States copyright law and international treaty provisions. BenaTong authorizes you to make archival copies of the software for the sole purpose of backing-up our software and protecting your investment from loss.

This software may be used by any number of people and may be moved from one location to another as long as there is no possibility that more than one person is using the software at the same time.

Binary, executable programs that you write which incorporate Serial Solutions™ are licensed for personal and intra-company use without additional license or fees. If you wish to incorporate Serial Solutions in commercial applications, then a separate licensing agreement must be obtained.

Limited Warranty

With respect to the physical diskette and physical documentation enclosed herein, BenaTong warrants the same to be free of defects in materials and workmanship for a period of 30 days from the date of purchase. In the event of notification within the warranty period of defects in material or workmanship, BenaTong will replace the defective diskette or documentation. The remedy for breach of this warranty shall be limited to replacement and shall not encompass any other damages, including but not limited to loss of profit, and special , incidental, consequential, or other similar claims.

BenaTong specifically disclaims all other warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose with respect to defects in the diskette and documentation, and the program license granted herein in particular, and without limiting operation of the program license with respect to any particular application, use, or purpose. In no event shall BenaTong be liable for any loss of profit or any other commercial damage, including but not limited to special, incidental, consequential or other damages.

Governing Law

This statement shall be construed, interpreted, and governed by the laws of the state of Ohio. Use, duplication, or disclosure by the U.S. Government of the computer software and documentation in this package shall be subject to the restrict rights under DFARS 52.227-7013 applicable to commercial computer software.
