

UserManager

Delete Accounts window

SA4padPointRule2.eps ↵ Use this window to delete or disable multiple accounts at the same time. You can delete both the accounts and their home directories, or just the accounts.

You choose User *submenu-arrow8.tiff* ↵ Bulk Delete from the UserManager menu to open this window.

295009_paste.eps ↵

485208_stepArrow.tiff ↵ **Use the Accounts to Delete area to display a group of accounts.**

338852_paste.eps ↵

722784_PointDashedRule3Black.eps ↵

754850_stepArrow.tiff ↵ **Create a list of accounts to delete in the bottom half of the window.**

Select all the accounts you *don't* want to delete
and click to remove them from the list.

Click a buttons to delete or disable
the accounts that remain in the list.
