**Subject:** Milk

The infamous Milk, of Milk And Cheese: Dairy Products Gone Bad  
includes 24bit, 12bit, 8 bit gray, and lame-IconBuilder-dithered 2bit gray.  
In an alternate, higher-dpi universe, the word-bubble says "Go to Hell".

Coming soon: Cheese

If anyone cares for a larger version, email me.

- Jon

PS: Any recommendations of a good app for icons? (And where to find it?)
