Subject: Re: "app request" request and Project directory icons

I just subscribed to this mailing list so I'll say a quick hello to everyone... "Hi".

As an icon intro, a dir/opendir pair that I use for my projects directory (sorry about the greyscale, but I made them on a mono machine... besides, my color mushroom cloud looked way-lame :-)) Note that the buildings started out as a "beveled button"...

Hi out there,

Here are some icons, that I completely had forgotten about, use as you please (they are not very clean...)
