Subject: Re: camera icon request

These are from **ICONgallery**, available from **Trident Data Systems**.
The artwork is by Madeleine Bryan.

camera.tiff recorder.tiff camera2.tiff telescope.tiff

ICONgallery is a terrific image manager.

Plus, it contains over 400 high-quality icons, many of which are animated.
And the best "grab" interface around.

Available for NEXTSTEP 3.x, Intel or Motorola.
Call or e-mail for more info.
