

>> Does anyone know where I can ftp for complete Simpsons Icons? I'm
>> really looking for color NeXT icons, but would try and convert from any
I'm working on some:.dir.tiff856437_.dir.tiff781969_.dir.tiff957077_.dir.tiff
There are a couple more in various states of completion if you want. If I get some
time I'll do more.
