Thanks to everyone who sent me "crowd" images and/or icons.   I needed it for
our WWW page -- for the People button. I took the icon kat@pdh.com sent me and
made a few modification to it so I thought I'd send it out to the list.

Here is the original:

After I (and TIFFany) played with it:

<Crowd.dir.tiff and Crowd.opendir.tiff>
If you want to see these and more Abstract Software specific tiffs are web page
is http://www.abstractsoft.com.

Thanks again to all those who sent me tiffs!
