Playing the Game

Object

The object of *Trails* is to trap the white arrow without crossing either the white or black trails. The game ends when you have collided with a trail for the third time.

Starting a new game

On the Game menu, click New Game or click on the **Start Game** button to begin a game.

Controlling direction

Use the keyboard arrow keys (

) to change direction

Scoring

You receive one point for each black square created by your trail.

Game Menu
