CANADA

Thank you for purchasing **HOUSE - Advanced Desktop For Windows™**. This order form is included in your registered version simply because so many people ask, "Can I get a copy of that?" as soon as they see **HOUSE - Advanced Desktop For Windows™** the first time. Since the package is so much fun to use, and so unique, people sometimes want a copy the minute they see it. But that's illegal! So, just in case someone asks you if you will make them an illegal copy, or "Can I Get a Copy of that on Floppy" you can say "YES" and hand them this **order form!**.
