News on the workforce and the economy

www.WWD.com - FYI* I suggest you check out a subscription to Women's Wear Daily magazine. The magazine is known as the industry bible for fashion including the classified section.

www.24seveninc.com/index.php

- There are several other sites dedicated to help you succeed in building your resume writing a letter and even how “not” to dress for an interview! For example try <http://www.collegegrad.com/jobsearch/15-5.shtml>

- Also why not go to any of the department or specialty store sites to search for job openings? And of course try your college’s employment assistance or alumni service departments.
